

Official Launch Event European Public Sector Award – EPSA 2013

Brussels (BE), 25 January 2013

European Public Sector Award

Presentation of EPSA: Vision, Objective, Institutional Structure, Final Event & Award Ceremony

Marga Pröhl (DE), Director-General, EIPA Maastricht

EIPA's Experience and Expertise for Leading the EPSA 2013

- With **over 30 years of experience** in training, applied research and consultancy regarding issues of European integration and public management EIPA is **the leading centre of European learning and development for the public sector**
- EIPA is a **neutral and impartial institute** that benefits from reliable **direct links with all EU governments and Institutions** through its BoG. They provide EIPA with their public concerns, challenges, problems in search for solutions. Therefore, EIPA is **leading-edge in public sector innovations**.
- EIPA has the privileged position to have a **framework for EPSA Knowledge Transfer Events**
- **EIPA's Staff (Faculty) Composition:** EIPA has a fine mix of expertise in-house working and delivering the various activities, i.e. from the academic, public and (private) practitioner field

The European Public Sector Award... More than just an award!

*The EPSA brings together the **best, most innovative and efficient performers** from the European public sector. By highlighting **exemplary models** of innovative public performance, the award serves as a **catalyst** for continued progress in addressing Europe's most pressing concerns.*

Vision: To create an arena in which Europe's public sector institutions can **excel** and become an exemplar for the rest of the world.

Target: EPSA targets all sectors of public administration, with an emphasis on specific themes;

Scope: EPSA awards projects which have proven their success by tangible results and impact;

Focus: EPSA focuses on recognition and dissemination of good practice.

- To contribute to the progress and implementation of the EUROPE 2020 strategy
- To create a **common European administrative space**
- To devise **new administrative problem-solving paradigms**
- To foster **constructive competition** amongst public sector organisations and **reward excellence**
- To **learn from the European leading edge**
- To create a **network of public excellence** and, thus, establish the conditions for a **European learning platform on public administration solutions.**
